

The Noble County Assessor is reminding taxpayers, who have a residential rental with 1-4 units, that per HEA 1195 your rental information is due to the Assessor's Office **by March 1st** of every year. A copy of your Schedule E, K, or other must follow **by April 16th** of every year. If you do not file your income taxes by April 15th, you **must** let the Assessor's Office know this and let them know when you expect to be turning that information in to the office. If the Assessor's Office does not receive these 2 bits of information, separated by property address/rental, you will forfeit your GRM deduction. Please send all information to Noble County Assessor, Attn: Deide, 101 N Orange St., Albion, IN 46701 or call 260-636-2297 and ask to talk to Deide. No individual letters will be sent to you as a reminder.
