OVERSIZED/OVERWEIGHT VEHICLE MOVING PERMIT SPECIAL PROVISIONS

1. The Noble County Highway Department must be notified at least 24 hours in advance of any transport of an oversized/overweight unit to confirm travel routes.
2. Permits are automatically invalidated by the violation of any of the conditions specified by the terms of the permit or by false information given on the application. Failure to comply with the conditions of this permit shall be just cause for the immediate suspension or revocation of any or all permits and the operator and/or owner of the vehicle subject to appropriate legal action.
3. Oversized/Overweight Moving permits are issued for daylight hours only, Monday through Friday. Permits are not valid from 12 noon on the day preceding and continuing until daylight of the 1st day after the holidays here listed: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas, except with the approval of the Noble County Highway Department when emergency movements are necessary in the best interest of public safety and welfare. Permit valid only if favorable driving and traffic provisions prevail. Daylight hours are defined as 30 minutes after sunrise to 30 minutes before sunset.
4. The movement shall not impede other traffic in an unreasonable manner and at no time shall traffic be blocked from use of the highway. Vehicles and loads shall not be parked on the highway at any time.
5. Vehicles shall be registered as required by the Indiana vehicle code and will not violate any statute or valid ordinance, rule or regulation by any state agency or sub-division of the state. Vehicles are to comply with all statutory provisions as to other permits, licensing, motor vehicle equipment and operation.
6. The driver of the vehicle shall carry an approved copy of the permit in the vehicle to which it applies and shall have it available for inspection by any law enforcement officer, Motor Carrier Officer, or Noble County Highway employee.
7. Applicant shall be responsible for any damage caused to wires, mailboxes, trees, buildings, or the road, including the structures and appurtenances, and shall reimburse the appropriate parties for any damage caused by the moving of said vehicle and load.
8. Permits are not valid if insurance expires. Applicant to present evidence that at least the following insurance coverage is in full force and effect on each vehicle while operating on the public highways under special permit:

Bodily Injury liability – each person \$500,000.00
Bodily Injury liability – each accident \$1,000,000.00
Property Damage liability – each accident \$1,000,000.00
Single Limit policy \$1,000,000.00
Worker's Compensation Statutory Coverage

9. The permittee or contractor shall name the Noble County Commissioners as additional insured and certificate holder, by name, on any general comprehensive liability insurance or commercial general liability insurance carried by the permittee or contractor worded as follows:

The Noble County Board of Commissioners, the Noble County Highway Department, and their officers, agents and employees, are named as additional insured parties.

10. Permits will be issued only for vehicles owned by the applicant or operated under a bona fide lease or rental agreement. The applicant may be required to deposit a reasonable inspection fee and to furnish a good and sufficient cash bond to cover any damage that might occur to roads, bridges, or highway structures, by the movement of vehicles and objects under the proposed permit.

11. Permits will not be issued for oversize or overweight vehicles or loads which can be readily dismantled, reduced or otherwise rearranged to come within the legal limits. Permits will in no way supersede posted axle loading limits on any bridge or highway. The applicant agrees to reimburse the Noble County Highway Department for any damage resulting from disregard of such postings.

12. The equipment shall be loaded on the vehicle in such a manner to reduce to a minimum the excess over statutory size or weight limitations and the least width or length dimensions becomes the width of the load. Striking or damage to any structure or facility will be perceived to be noncompliance with this section and will result in termination of this permit.

13. The Noble County Highway Department may temporarily suspend or revoke an Oversized/Overweight Moving Permit, either in its entirety or in respect to certain of its provisions, due to **seasonal conditions, other special conditions** or if it is in the interest of the public's safety.

14. The vehicle shall not be loaded or unloaded within the outer shoulder limits of any county road unless permitted by an officer or the Noble County Highway Department.

15. The movement requires the display of clean, plain, red or orange flags of at least 18 inches square. One flag shall be displayed at each of the four corners of the vehicle or load; and if any portion of the load extends beyond the width of the corner flag, one additional flag shall be displayed at the widest point on each side of the vehicle or load. Flags should be securely fastened by at least one corner or securely mounted on a staff.

16. When width exceeds 12 feet, the permitted vehicle shall be preceded by one escort vehicle (passenger car or pickup truck) with at least one flashing or rotating amber light on top of cab, a reasonable distance in rear of the movement. Additionally, when moving on four or more lanes, the permitted vehicle shall also be followed by one escort vehicle (passenger car or pickup truck) with at least one flashing or rotating amber light on top of cab, a reasonable distance. Amber lights are to be visible for 360 degrees for a distance of 500 ft.

17. Permit not valid on highways which are posted for lighter than normal loadings and vehicle exceeds axle loadings as posted, or when restricted loadings are in effect.

18. The vehicle covered by this permit shall not exceed 35 M.P.H. at any time.

19. Hauling of construction equipment shall be exempt, based on width up to 13'6", from filing oversize load permits application. However, said equipment shall still meet all aforementioned safety requirements.
