- Great! Great! Great! A lot of the information is in my head and this allows me to organize it better
- Excellent presenter with extremely relevant topics and valuable tools/resources for all clubs
- The most relevant Ed seminar yet
- Bob is a winning speaker with great handouts
- Best in 4 years!
- Need more time for this meeting, make it two days
- I was impressed with how much info they were willing to share
- I flew in just for this one day from Chattanooga and it was so beneficial to me as well as the club
- This is my third National Conference and this has been the best one so far

Topics for the future:
- AAF club management and guidelines for all clubs to follow for consistency
- More opportunity to talk with other staffers
- Membership benefits-retention
- Programming-insight do’s and don’ts
- With this topic, keep Ed and Bob, let us break into groups and make it a day and a half
- I like the “here is how we did it,” I like it when people share their experiences
