4. What was the best part of this session?  
   - Good motivation, especially for committee leaders  
   - Experience overall very beneficial and able to be used for future reference  
   - Interaction with participants  
   - How he made it state friendly  
   - Mission information  
   - The entire session was interesting and eye-opening  
   - Helped us pinpoint areas where we can improve  
   - Input from all participants  
   - Asking each member for their ideas  
   - Learned many tools to help improve our association development  
   - Answers from board members  
   - Bob's tactfulness and ability to read thoughts and body language of directors  
   - Legal information or responsibilities of board  
   - Interaction  
   - Helped organize ideas for goals  
   - All very informative and inspiring -- best and only training I've had  
   - Most helpful was when Bob would ask a question and have each of us give ideas/input. I think it gives a chance to see what the board really is thinking.  
   - The morning session  
   - Responsibilities of Board members

5. Suggestions, if any, how this session could be improved.
   - None
   - Make it a two-day session
   - Probably increase time – not enough time to really go in depth
   - Not speaker’s fault but acoustics were terrible in room; perhaps use a microphone
   - Very good
