EVALUATION

1. Please rate the session. (1 being poor and 5 being excellent)
   Association Management 101
   How well did the content of the session help increase your knowledge of the subject? 4.74
   How well did the speaker answer your questions related to the topic? 4.89
   How effective were the visuals and handouts? 4.79
   Please rate the overall session. 4.69

2. How would you rate the length of the seminar?
   What length would you suggest?
   4 hours
   Good length.
   Could be longer.
   Just a little too long.
   Covered a great deal.
   Could have more detail.
   Perhaps a longer lunch would help.
   Could be more time for specific topics.
   4.26

3. How would you rate the value of the seminar for the price you paid?
   Awesome, even @ the member rate
   4.89

4. What do you feel was the best aspect of the seminar?
   Everything
   Strategic Planning
   Board information
   Board aspects.
   Shorten the history portion.
   Handouts & speaker knowledge.
   All of it - great overview of key topics.
   The information on the operation organization
   Interaction with other attendees to compare.
   Lots of content; informative style; small groups.
   The presenter was engaging. Question and answer
   Moved quickly - good handouts to follow throughout.
   The operating framework model & strategic planning.
   Board development, history of associations, & IRS / tax status.
   Anecdotal/example driven; Sarbanes Oxley very important.
   Bob was great! Very smart and conveyed excellent knowledge about many areas of nonprofit. He has a
great personality & great communications skills.
5. What suggestions do you have for improvement of the seminar? 
Do not spend as much time on impact of associations in America.
More breaks
None (appeared more than once)
N/A

6. What other topics and/or seminar formats would you like to see SCSAE sponsor in the future?
Blackberry operation.
Lobbying / Grass roots.
Budget and financing 101.
I wish I had attended earlier!
Board development - *all day*.
Effective database management
More on Association Management.
Membership Retention/Development/Marketing
Communicating with members - Traditional & Non traditional Methods.
Volunteer management and development,
Taking association management education a step further.
Maybe something with SCANPO
Improvements in database/organizational help (software/programs comparisons)

Additional Comments:
Best SCSAE professional Development Class so far!
Great job! Wonderful resource. Thank you!
What a great seminar - very beneficial.
Please come back!
Great job!
Thanks!
