Highlight of Board Roles and Organizational Structure was:
1. Too many to mention. I took 7 pages of notes and ideas of things we can do to make our association stronger – Excellent program!!!
2. His experience, well articulated.
3. Challenged to rethink what we do: Elevator talk
4. Reviewing important pieces of strategic planning
5. Practical take aways and access to learning tools that we can use.
6. Low point was presenter jumped around way too much in the Powerpoint and the handout
7. Bob’s straight forward, simple approach is great!
8. Basic structure and outline for board association meetings. Board responsibilities, resources for help.
9. Availability of handouts being used.
10. Resources for future use
11. Seeing how proper organization can benefit local association
12. Engaging the volunteers of the board to be as valuable.
13. Bob has a nice way of simplifying situations and explaining them
14. The resources available on the Web site will be beneficial.
15. Elevator pitch and dashboard for association. The presentation didn’t match the handout very well. Hard to jump around the packet, especially in a dark room.
16. Streamlining and breaking down the board roles.
17. Presented usable ideas that I could take back to my organization.
18. Timeline advice is helpful.
19. Importance of adhering to and emphasizing continuously mission statement of the organization.
