

Name:

KRISTI NICHOLS

Candidate for:

U.S. SENATE

The following questions are based on the **2008 Missouri Republican Platform**. Please **circle** the answer that represents your belief. Feel free to explain your position in more detail in the space provided.

1). I support the "State law allowing law-abiding Missourians to carry concealed firearms and other Second Amendment protections such as the Castle Doctrine and the protection of those rights during emergencies."

☒ Agree

☐ Disagree

Comment/Explain:

I FULLY SUPPORT UPHOLDING  
THE CONSTITUTION AND UNDERSTAND  
THE 2ND AMENDMENT FOR INDIVIDUALS  
TO KEEP AND BEAR ARMS

2.) I support "The authority of parents as the primary educators of their children in all matters, including morality and sexual responsibility."

☒ Agree

☐ Disagree

Comment/Explain:

PARENTS ARE TO BE THE  
PRIMARY EDUCATORS OF THEIR CHILDREN.  
THE GOVERNMENT IS NOT TO BE THE  
PRIMARY EDUCATOR

3.) I support "Legislation overturning Roe v. Wade and the appointing of federal and state judges that respect the sanctity of innocent human life."

☒ Agree

☐ Disagree

Comment/Explain:

I support the overturning of Roe vs Wade. Activist judges that legislate from the bench should have no place in any of our courts

4.) I support "Missouri's constitutional amendment approved by more than 70 percent of Missourians clearly stating that only marriages between one man and one woman will be valid and recognized, whether performed in Missouri or any other state or nation."

☒ Agree

☐ Disagree

Comment/Explain:

I support marriage between a man and women only. I uphold traditional family values and marriage

5.) I support "Missouri's legal reform law that stopped the abuse and misuse of Missouri's judicial system through the filing of frivolous lawsuits and has allowed doctors to remain in our state."

☒ Agree

☐ Disagree

Comment/Explain:

Frivolous lawsuits drive up insurance costs for doctors and compound out of control health care costs. I am an advocate of real reforms that will cap and prevent frivolous lawsuits from coming forward in our court systems

6.) I support "All efforts to honor and preserve America's religious heritage, including the public display of the 10 Commandments or other religious symbols, and remaining true to the principles upon which this nation was founded."

☒ Agree

☐ Disagree

Comment/Explain:

Our country was founded on Judeo-Christian principles and values. We must ensure this heritage to our children and future generations

7.) I support "Greater security at our borders to prevent all illegal immigrants from entering our country."

☒ Agree

☐ Disagree

Comment/Explain:

We must enforce immigration laws already on the books. The fence must be completed and additional border patrol forces added. The border patrol must have authority to enforce our current laws. I am against amnesty for illegal aliens

8.) I support "Banning illegal immigrants from receiving taxpayer benefits."

☒ Agree

☐ Disagree

Comment/Explain:

Illegal Immigrants are crippling  
this nation financially. There should be  
no receiving of taxpayer benefits to  
those within our borders illegally

9.) I support "Limitations upon excessive land use regulation and zoning that deny property owners the fair use of their property."

☒ Agree

☐ Disagree

Comment/Explain:

We need to rid our courts  
of activist judges that seek to  
remove property rights from legitimate  
land owners

I authorize publication of this questionnaire to the general public via websites, mailings, and other methods of publications as the Newton County Republican Central Committee sees fit.
