Goss' welcome mat

When more than 30 prominent national art dealers hit town for this weekend's Dallas Art Fair, they'll get a warm welcome from **Kenny Goss**.

Kenny and his partner, singer **George Michael**, are enthusiastic art collectors.

On Saturday evening, Kenny will host the visiting dealers and gallery owners for a cocktail reception at the Goss-Michael Foundation exhibition space. They'll get a chance to view Goss-Michael's current **Sarah Lucas** exhibition.

Tickets for the Dallas Art Fair, at the Fashion Industry Gallery, are available at www.dallasartfair.com.
