Free Tutoring provided at our Academy!

Thanks to all of hardwork of the Title I committee and the blessings from Allah, through Title I, which is a program under the "No Child Left Behind" Law, Charlotte Islamic Academy is acquiring over \$20,000.00 worth of tutoring services. Children will be placed based on assessments and a ranking system where the child with the most need for tutoring will be entering the programs. We have a Elementary Math tutoring program that will be on Saturdays with 4 hour sessions and a Kindergarten tutoring program that will be throughout the week. It is a small window of oppurtunity to use the money and the services. But with your help and committment, the students will be able to get the extra help they need to succeed. If you child is placed in, you will be recieving a letter within the next few weeks to approve the use of the services.

If you have any questions or concerns regarding the tutoring programs and how this may affect your child, please contact Sister Aisheh Ashour at 704-537-1772 or by email, ai.ciacademy@gmail.com.

Charlotte community reaching out to C. I.
