2. Legal Birth Certificate
3. Previous School Records

** If other than parent enrolling— provide proof of guardianship.

Immunization Requirements:

- All grades K-12th Grade must have **Hepatitis B** vaccine series.
- K-7th grades must have **varicella** vaccine or proof of chicken pox. If not, a signed waiver of refusal of shot.

PLEASE NOTE:

An updated immunization record is required. Medical evidence of the following immunizations must be submitted. (See your child's physician for state mandated updates or changes.)

- Five (5) doses (diphtheria, tetanus, and pertussis). If the fourth dose (booster) is given on or after the fourth birthday, the fifth dose is not required.
- Four (4) oral polio vaccines doses (OPV), one of which must be a booster given on or after the fourth birthday. If the third dose is given on or after the fourth birthday, the fourth dose is required.
- Two MMR (measles, mumps and rubella) doses with the first dose is given on or after the first birthday and a second dose given before entering school.
- At least one dose of Maemophhiilus influenza b (HbOC, or PRP-OMP), given on or after the first birthday and before five years of age.

North Carolina law requires that a kindergarten health assessment be completed on or before the first day of school before a child can enter kindergarten. The health assessment must be completed no more that 12 months prior to the date of entry. Parents whose children do not have a regular doctor can get health assessments and immunizations through the Mecklenburg County Health Department.
