### Eid Mubarak!

**From all of us at Charlotte Islamic Academy, we wish you a blessed Eid ul-Adha.**

We will be having our Annual Hajj Program at the school to celebrate and instruct our community about the blessings of Hajj and Eid.

It will be on Thursday, November 11th, 2010 at 1:45.

*We would love to have you attend!*

### Parent Teacher Conferences

As a parent of Charlotte Islamic Academy, we urge you to be a part of your child's educational career. Attending the Parent Teacher Conference is one of the most essential foundations to communicating with your teachers regarding your child's progress. The conference entails a thorough discussion and summary of what your child has been doing and what can he/she do to become a better student. Parents have the chance to sit with their teachers for a long period of time if need be to discuss the struggles and solutions to help the student succeed.

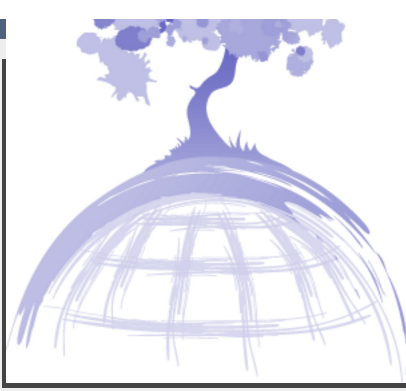

The Parent Teacher Conferences will be on November 4th, 2010. The students will have a full day off of school this day.

Please take advantage of this time and contact your child's teacher to set an advance appointment.

### *Imanic Branches*

Our Annual Hajj Program will be on November 9th, 2010.

"Eman has over seventy branches, the uppermost of which is the declaration La Ilaha Illallah (There's no God but Allah); and the least of which is the removal of harmful objects from the road, and modesty is a branch of Iman." Prophet Mohamed (صلى الله عليه و سلم)

The Emanic Education program at Charlotte Islamic Education seeks to implement the following:

1. Educate students about the branches of Iman.
2. Integrate the branches across the curriculum.
3. Practice every branch individually and/or in groups.

Each week the students will be introduced to a new Emanic branch supported by verses from the Quran and hadeeths.

During the month of November the following branches will be addressed insha Allah: **Good Manners, Cleanliness, Salat, Truthfulness, Trustworthiness.**

Our Scholastic Book Fair will be the Week of November 1st! Please send money with your kids. Your purchases will support the school to purchase classrooms libraries.

*Don't forget to send your 2 packs of paper for this Quarter!*

## SCIENCE FAIR

It's that time of year again! Science Fair is soon approaching and all Middle and High School students will begin to prepare and choose their project topics for this month.

Check out the following websites to help out your students with the Science Fair!
