Benefitting Officer John Barnes of the Santa Fe ISD Police Department

**The Back the Blue Foundation is here
to help!**

On the morning of May 18th, 2018, Officer John Barnes began his day like any other, unaware that his actions within the next few hours would lead to saving the lives of countless and a change to his own life.

Officer Barnes, a school resource officer assigned to the Santa Fe High School Campus, confronted the Santa Fe High School Shooter that morning, and during so was struck by a bullet in his arm leaving him in critical condition. Although Barnes is out of the hospital and is home surrounded by his loving family, he lives with the injury sustained that will affect him for the rest of his life.

The Back the Blue Foundation has been named as the official fundraising organization to help this hero and his family in the many long months and years to come.
