

Canadian Network of Child and Youth Rehabilitation

Calgary: October 19th, 2014

CN-CYR Vision

The Canadian Network of Child and Youth Rehabilitation is the coordinated voice for centres across Canada that are leading the effort to advance the quality of life for children and youth with disabilities and their families.

CN-CYR Mission

To promote excellence in the provision of rehabilitation services for children, youth and their families.

CN-CYR Goals

- Promote data sharing and benchmarking
- Present a coordinated national voice for children's rehabilitation and children with disabilities
- Facilitate and maintain an inclusive network
- Promote best practices, knowledge transfer & bridging research to practice
- Build capacity and enhance organizational health

2013/14 Highlights

- Transition of the National Data Set to CAPHC-CPDSN as the Pediatric Rehabilitation Reporting System
- Research and Knowledge Translation
 - Webinars and more to come
 - Networking
 - Letters of support for research
- Conference – Thank you to the Calgary planning committee
- New Co-Chairs: Jackie Schleifer Taylor & Val Gultner
- Planning for the next ten years

National Data Set

- Le Groupe Perron and Bilodeau Family

Conference

- Fordia Group
- Allergan
- Ortho Concept

2014

Consultation October 18th 2014

Knowledge Translation

- Go to place for information
- Repository for Best Practice
- Bidirectional Flow of Research
- Research Priority
- Mapping the evidence/research agenda/ screaming to be addressed
- Research Network
- Connecting to Researchers

Partnerships

- networking
- Life span approach
- Accreditation Canada
- Influence the conversation
- Community of Practice
- Post Secondary Institution

Coordinated National Voice - BE THE VOICE

- Collective Advocacy
- Transparency of funding for paediatric rehab (the same dollars)
- Value of accreditation - funder's value
- Voice irrespective of funding source - common elements
- Family Voice
 - Families and Kids
 - How are families supported
 - Family Associations across the systems
- Transitions

Space for Flexibility and Innovations

Workforce System Responsiveness

- Models of Service Delivery (right place, right provider, right time)
- Competency
- Life span approach — Role for advocacy
- Equitable Services Across the Country - Best Practice Standards
 - Models of Care
 - Guidelines and Pathways
 - Elimination of geographic inequity
- Technology based Services

Families at the Table

- Who is the client
- Patient Goals
- Patient Experience
- Taking the Stage
- Relationship Based care
- Parent Voice

Executive Committee
Executive Full Steering Committee

CPDSN

Quality and Accountability

- Accreditation/benchmarking
 - DETS
 - IWG
 - CDHI Data Submission
 - Understanding the populations
- PRRS
- Models of service delivery Institutions
- Reflect consistency across geography

Be there for tomorrow

- Mapping the inventory across Canada
- Identification of 'new' leaders
- Build Capacity in leadership
- Need to reorganize CN-CYR with dedicated funding
- Organizational behaviour and systems research

— Expand Representation pan-nationally

Value of Membership

- community
- Hospital
- Independent
- Contact List

Quality of Life

Go To Place - CNCYR

- policy development
- directives of care

Push the Agenda to be the best

— Patient Experience
