**FAITH** An opportunity to pray for a re-flourishing of faith across the British Isles as a means of preparing for a New Spring Time within the Church, so that we Christians of these lands might spread the Gospel in its fullness in a renewed and joyous way. We hope that Rosary on the Coast will bring from heaven the grace of renewed evangelistic outreach and zeal as we further the work of the New Evangelisation.

**LIFE** The Abortion Act came into effect on 27 April 1968. This Act has overseen the killing of nearly nine million unborn children and yet society is in denial. The rosary is a powerful spiritual instrument to bring about a return to belief in God, an end to evil and for a rebuilding of a culture of Life.

**PEACE** There is a great unease in people's hearts as helplessly they watch daily the news channels and their incessant litany of bad news and of horrors unthought-of. How are we all to respond with both generosity and compassion? Rosary on the Coast seeks through prayer for peace to awaken HOPE again and plead for PEACE from God throughout the world.
