DESCRIPTION

DEFY Composite Deck Cleaner is an environmentally friendly product that safely cleans, brightens, and restores the natural beauty of exterior composite wood. This product is also an excellent cleaner for exterior vinyl, aluminum, fiberglass and concrete surfaces. Unlike chlorine bleach based cleaners, DEFY Composite Deck Cleaner is biodegradable and will not harm composite wood fibers, grass, plants or marine life. DEFY Composite Deck Cleaner is a powdered concentrate that is mixed with water.

USES

DEFY Composite Deck Cleaner removes dirt, grime, mildew stains, previous coatings (not paint) and weathered graying from horizontal and vertical composite wood surfaces. It is recommended for surface preparation prior to application or reapplication of clear finishes and stains (for best results use DEFY Composite Deck Waterproofing Sealer).

BENEFITS

- Removes Dirt, Grime, Mildew & Graying from Wood
- Contains No Acid or Chlorine Bleach
- Safe For Most Plants and Vegetation
- Environmentally Friendly

DIRECTIONS FOR USE

Use 6 oz. (3/4 cup) of DEFY Composite Deck Cleaner with each gallon of water. One gallon covers 100 - 200 sq. ft. depending on wood porosity.

STEP 1 MIX: Mix with water and stir thoroughly until powder is dissolved. Powder dissolves faster in warm water. Solution should be used within six hours of mixing.

STEP 2 APPLY: Horizontal Surfaces - Dampen surface with water before application. Apply DEFY Composite Deck Cleaner solution with sprayer, brush, or mop, working on small areas (20 - 30 sq ft.) at a time. Vertical Surfaces - Dampen surface with water before application. Apply with a sprayer working on small areas at a time.

Start at the bottom and work to the top.

STEP 3 BRUSH: Horizontal Surfaces - Let solution stand approximately 10 - 20 minutes, keeping area wet with additional DEFY Composite Deck Cleaner. Thoroughly scrub with a stiff, short bristle broom or brush. Vertical Surfaces - Let stand approximately 10 - 20 minutes, keeping surfaces wet with additional solution. Thoroughly scrub with brush, working from bottom to top. DEFY Composite Deck Cleaner will open wood pores and some raising of wood fibers may occur.

STEP 4 RINSE: Rinse thoroughly with water from garden hose or power washer (with 800 - 1200 p.s.i.) using lowest pressure that cleans without damaging the composite. Repeat steps 2 - 4 on next small area. Continually rinse cleaned area of vertical surfaces to avoid streaking as work progresses. Allow composite surfaces to thoroughly dry before applying DEFY Composite Deck Waterproofing Sealer. Heavily weathered or soiled surfaces may require a second application.

SAFETY AND HANDLING: Solution will not harm grass, plants and marine life. Rinse grass and plants thoroughly with water after exposure. Contact with combustible organic materials may cause fire. Accumulation of product on ladders, scaffolding, docks etc., may result in slippery surface.

CAUTIONS

Keep out of reach of children! Do not take internally. Avoid contact with eyes and skin. Avoid breathing mist. Close container tightly after each use. Do not re-use containers.

Contains sodium carbonate peroxyhydrate. Do not mix with chlorine bleach or other chemicals. Store in original container only. Sweep up spills and flush down drain. Contact with combustible organic materials may cause fire. Accumulation of product on ladders, scaffolding, decks, etc., may result in a slippery surface. Avoid contact with eyes and mucous membranes and prolonged contact with skin. **First Aid:** In case of eye contact, flush with water for 15 minutes and get prompt medical attention. If swallowed, give milk or water. Do not induce vomiting. Call a physician immediately.

LIMITED WARRANTY

Our recommendations for use of this product are based upon tests believed to be reliable. Since field conditions vary widely, the user must determine the suitability of the product for the particular use and specific method(s) of application. Due to the fact that SaverSystems has no control over surface preparation and application methods, no guarantee as to results is offered, expressed, or implied. SaverSystems warrants this product to be free from manufacturing defects.

SaverSystems' liability shall be limited in all events to supplying enough product to re-treat the specific areas to which defective

product has been applied. This warranty does not include the cost of labor for application. SaverSystems shall not have any other liability including direct, incidental, or consequential damages. Some states do not allow the exclusion of incidental or consequential damages so this limitation or exclusion may not apply to you. This warranty gives you specific legal rights. You may also have other rights which vary from state to state.

PACKAGING

DEFY Composite Deck Cleaner is available in 2.25 lb. recyclable plastic containers. The 2.25 lb. container of concentrate will make 6 gallons of cleaner.

TRANSPORT AND STORAGE

DEFY Composite Deck Cleaner is not considered hazardous under Department of Transportation regulations. Do not stack pallets. Store in cool, dry area.
