

# AZEK Rail ADA Compliant Rail System

Order from your AZEK Distributor

## ADA Product Advantages

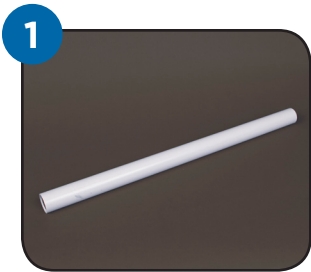

- 1½" outside dimension vinyl meets the "American with Disabilities Act" (ADA) graspability requirements.
- Unique adjustable internal joiner accommodates any transition, stair or ramp angle.
- Installs easily.
- Fasteners are hidden to create an improved look over other available ADA systems.
- ADA railing is available in White and Black. The interior rail stiffener is an engineered aluminum providing maintenance free strength and durability.
- Can be installed in any stair or ramp configuration; continuously or interrupted.
- The cast aluminum components are color matched powder coated for a durable finish.
- Tested to IBC and IRC standards in conjunction with AZEK Rail.
