

## **Male Juvenile Sex Offender Group**

This is a group intended for young men currently on probation for sexually inappropriate behavior. Unless otherwise agreed, young men must be referred by their juvenile probation officer.

Focus of the group: Working with young men on developing their accountability, understanding of offense precursors and writing a Relapse Prevention Plan to ensure that they do not reoffend.

This group will work with each young man to develop the skills required to maintain their success and avoid relapse, while complying with the requirements of their probation.

Who: Young Men – ages 15-17 years old  
When: Schedule forming now  
Where: Campbell, CA  
Cost: \$50/group session\*

If you are interested in the group, please notify your probation officer, who can contact the therapist at the below number to schedule an intake assessment:

Dr. Robert Land, Psy.D  
(408) 395 3577  
[www.drrobertland.com](http://www.drrobertland.com)

\* Each participant must participate in a one-time intake assessment (\$145)
