**To: Avalon Advisory Committee**  
**Subject: Shop With a Cop**

**Dear Avalon Board Member and Advisory Committee Member:**

**I need a quick yes or no vote:**

**I have been contacted again by a member of the Horry County Police and was asked if Avalon as a community would be willing to donate to their "Shop With a Cop" program. The program takes a certain number of local underprivileged children out to lunch and then takes them Christmas shopping. In previous years we have given them \$150 to sponsor one local child. I believe this is a worthy cause and think as a community we could once again take \$150 out of our fine money account (not budget money) and donate to cover one child.**

**I think this is another chance for Avalon as a community to give back to those less fortunate than ourselves. Please email me back as soon as possible with your opinion whether we should donate or not so I can give them an answer.**

**Thanks,**

**Ed Stapleton**
