

ANGEL of HOPE Christmas Gift Drive

November 12, 2016

Dear Alex,

Thank you for becoming one of our 2016 Angel of Hope sponsors. The holidays can be a difficult time for children residing in foster care, but with your help we hope to bring smiles to many faces this Christmas morning.

We have carefully reviewed the sponsor forms and have tried to match each sponsor with the age and number of children they wished to sponsor. Each child was able to list the items they really wanted Santa to bring them this year, but remember this is their wish list. Even though we try to meet their requests, we know it is not always possible. We try to include the child's favorite color, hobbies, and activity they may enjoy to help you get a feel for what the child may like. Below are the names, ages, and wish lists of the children we have selected for you. If a gift you purchase requires batteries, it would be sincerely appreciated if you could attach the batteries to the gift.

Please remember to attach the child's name and Id# to gifts and deliver unwrapped to Fostering Hope by December 12th so we can ensure that they are delivered on time for Christmas morning. Gifts are to be delivered to our new location, 308 Elm Street in Conway. Our normal business hours are Monday – Thursday, 9am til noon, but during the holiday season hours may vary. If you can't make it during regular operating hours, please call me at 843-254-8168 and I will be glad to meet you at another time. Please feel free to email, text, or call with any questions.

All of us at Fostering Hope thank you again for your support of the children in our community and hope you and your family have a blessed Christmas and joyous holiday season.

In His service,

Tabby Shelton
