

Customer Loyalty Program

Here's how it works!

When you agree to participate in our auto ship program for a minimum of 3 consecutive months, you will have access to all your favorite products at wholesale pricing. (Yep, we said it! When you become a Loyal Customer you get wholesale prices). Go to [www.itworks.net/\(yoursite\)](http://www.itworks.net/(yoursite)) to join. You can order anything from one product to our entire line of products on your Loyal Customer order, and we'll automatically send it out to you each month. This is great for those of us who forget to re-order ahead of time...you'll never have to go a day without your It Works! products. But that's not all!

You may change your order at any time by going online to www.itworks.net, logging in with your ID number and password and making any changes you want. You may also contact our friendly staff of customer service representatives at 616-281-1900. So if you decide to try a different product next month, no problem! You are only required to fulfill your minimum order of one item each month. How you add-on, swap or mix and match products each month is up to you!

You may choose to end your participation in the Customer Loyalty Autoship Program any time after your third monthly order by contacting our Customer Service department * Even if you cancel your participation in the Loyal Customer program, you will still receive wholesale pricing whenever you come back and place an order with us again. This wholesale buying privilege is yours for life!

*There is a \$50 early termination fee for cancelling your participation in the Loyal Customer Program before fulfilling the 3 month minimum of at least one product order per month. You will also lose your ability to order at wholesale pricing if an early termination fee is applied.
