

QUEEN & COUNTRY

(slower acapella vs. 1 + chorus)

(Am) Voice of the ocean, call of the deep, I lay (G) my body down (Am)

Pull away the anchor, turn away the shore, I don't care where we're bound

Strong in the arm, stalwart of heart, ready for the foe

Fearless and brave, loyal and true, please order me to go

Haul away, let's away, far horizon calling me

Haul away, let's away, fight for Queen and country

Stores are aboard, galley is stocked, there's no more need for land

Arsenal is full, powder is dry, we're ready to a man

Haul away...

Straining of sail, whining of wind, we're plunging through the surf

Hunting abroad, bounty for home, we're the masters of the Earth

(Haul away... x 2)

(bridge - rptd)

Sail sighted, the chase is on

Winds take me, God speed me on

(Haul away... x 2)

Vs.1 (rpt - acapella)

Voice of the ocean, call of the deep, I lay my body down

Pull away the anchor, turn away the shore, I don't care where we're bound
