

Honeydew Grilled Ahi

6 tuna steaks, 1-inch thick each

2 Tbs. garlic powder
2 tsp. granulated sugar
2 tsp. ground black pepper
olive oil

Brush steaks with olive oil. Season with garlic-sugar-pepper mix, and dry marinate for an hour.

Put steaks on heated and oiled grill, cooking for 5 minutes per side. Red tuna turns very white when cooked. Inside should still be red/pink, and should be very moist.
