

## KOBE BLEU BURGERS

1 1/2 lbs. ground chuck, round or sirloin Kobe beef

4 tablespoons Bleu cheese

4 tablespoons minced sweet onion

4 teaspoons Cattlemen's original barbecue sauce

1 teaspoon balsamic vinegar

salt & pepper

Mix onion, bbq sauce, vinegar and salt & pepper well into ground beef. Take 1/4 of the mixture and shape into a flat patty, make a depression in center of patty and place 1 tablespoon bleu cheese in center of meat. Form meat around cheese to enclose it.

Cook on hot grill until done to your taste (please no more than Medium, or, even better, Medium Rare) and serve on hamburger buns which have been buttered with garlic butter and grilled until light brown.
