

To serve all who need us...

It's the focus of our mission, and as you can imagine, it's been an enormous responsibility since 1978.

To fulfill this calling, we need your financial generosity behind us, supporting us day in and day out to ensure that we have the "engine" we need to help our disadvantaged patients. It's simple really: The more you support us, the more people we can help.

Give to the Circle of Care Campaign

You can support us financially through our Circle of Care giving program. The Circle of Care is a year-round campaign that supports our clinical programs.

Your Circle of Care donation ensures that patients in tough financial circumstances get the professional speech and hearing care they need to live healthy, productive lives.
