

SERTOMA SPEECH & HEARING CENTER: MISSION MATTERS RAFFLE

Fast. Easy. And effective...

Effective? Definitely.

Effective because the Mission Matters Raffle directly underwrites the service mission of The Speech and Hearing Center — to serve all who need us.

It makes a huge difference in the lives of thousands of people in our local communities. Your generosity and kindness go directly to our clients in need, no stops, no detours along the way, no meaningless overheads...right to them.

Now isn't this the perfect definition of effective?

Let's see how effective you can be

Give us a call and support us generously by purchasing Mission Matters raffle tickets. Just imagine how effective you'll feel. By the way, it's a well-known fact that the more tickets you purchase, the more effective you become.
