SERTOMA SPEECH & HEARING CENTER

*Communication  
Health Care  
Since 1978*

Since opening our first clinic in 1978, no patient has been denied our care because of the ability to pay. All our patients receive the finest diagnostic services, treatment counseling, rehabilitation, and one-on-one personal care. Our mission — to serve all who need us — distinguishes us in the greater marketplace of speech-and-hearing health-care providers.

## HOLIDAY CARD PARTY PLUS DICE, LUNCH, AND SHOPPING

PALOS HILLS, IL, SEPTEMBER 18, 2013: On November 20, 2013, Sertoma Speech & Hearing Center hosts a Holiday Card Party at Gaelic Park, 6119 West 147th Street, Oak Forest, IL from 10:00 AM to 3:00 PM.

“But it is really a cards, dice, lunch, and shopping party all in one at a beautiful facility, Gaelic Park,” said Melanie Jones, the director of the event. “We have a truly fun event lined up. Shopping with prestigious local vendors, everyone’s favorite card and dice games, and a delicious lunch work beautifully together to ensure that all our guests enjoy a wonderfully fulfilling afternoon with friends and new acquaintances to support a vital, local nonprofit.”

The income earned at the Holiday Card Party supports the nonprofit mission of the Sertoma Speech & Hearing Center to provide speech-and-hearing health care to anyone in the community.

“We are a communication healthcare nonprofit that many communities rely on year in and year out. Hundreds of patients every year who are struggling financially get the professional speech and hearing services they need to live productive lives from us,” Jones said. “We have served local communities this way for 35 years,” she added.

To download an invitation and RSVP form, visit [www.sertomacenter.org](http://www.sertomacenter.org) and click Holiday Card party on the homepage. You can also call 708-599-9500 to buy tickets or request more information.

The Holiday Card Party is a prepaid, reservation-only event, so be sure to RSVP by November 15.

Now in its 35<sup>th</sup> year of service to the southwest suburbs of Chicago, the professional speech-language pathologists and audiologists of the Sertoma Speech and Hearing Center offer clinical services to infants, children, teens, and adults. The Sertoma Speech and Hearing Center is a 501(c)(3), nonprofit organization with clinics in Homewood, Palos Hills, and Romeoville, Illinois.
