Introduction

YOU MAY BE surprised to realize that this book is the most important book to be written in the 21st century. Although God left the earth, never to return, He has always sent messengers to communicate with human beings. Unfortunately, humans have never listened closely to His messengers, and because humanity is deaf to His messengers, nothing has been accomplished correctly. I hope that humanity will listen this time, because I am the last messenger of the mighty God, who has been sent to bring solutions and the conclusion. All humans who want a new life need to meditate on certain important ideas all the time, such as the fact that since the beginning, God has sent messenger after messenger, but people have never understood God's point. There are three important things to know:

- 1) You must listen to the words of God from His messenger.
- 2) You must obey the words of God, by faith.
- 3) You must be ready to bring change into your life. This means that everyone needs to be adaptable and idealistic, because God always surprises people.

Are you aware that because people continue to ignore these three basic precepts, God will destroy the earth? I want to make sure that doesn't happen again; Matthew 24:29 predicts that this will happen one more time, and the only way to avoid this destruction is to follow the instructions as God has commanded.

People want to know their enemy, so they can really know how to fight and win the war against evil. Who is the enemy? People get confused, and believe the Devil is the enemy that they should fight, instead of fighting the

correct enemy. It is important to know that the Devil is not our enemy – he is God’s enemy. If we fight the Devil as our enemy, we are fighting the wrong war, a war we can never win. *Our enemy is sin!* This doesn’t mean the Devil doesn’t attack us – he is a coward, and he does attack us. But now that you know your true enemy, you can stand strong to defend yourself.

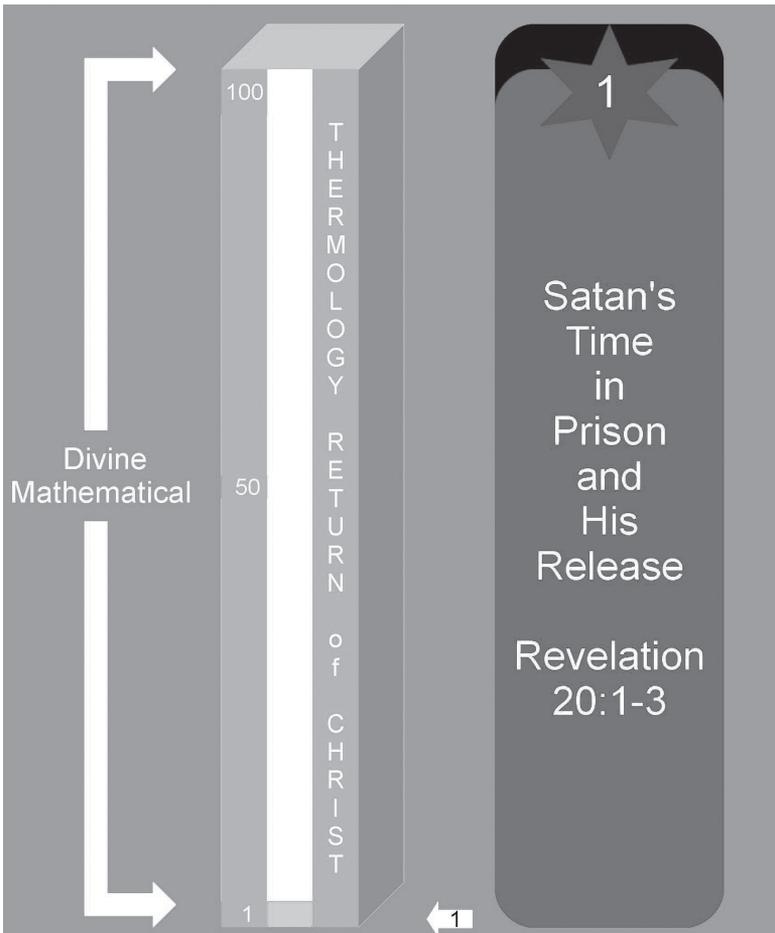

When you’re reading the book of life, the Bible, every time God speaks, there is one thing you need to know: *Why?* Why did God do or say what He did? As soon as you know why, you have everything in your control. It’s not easy to know, but it’s not impossible. You must ask the Holy Spirit to guide you.

The last crucial thing you need to know is why things exist. Once you know why, your eyes will be wide-open to God’s philosophy and His secrets. To gain this knowledge, you will need to go deep into His words, because He is the words, and the words are Him. The deeper you can go, the more you will know the Lord. If you go lightly into his words, then you will know Him only lightly. It is not a sin to try to know the Lord deeply, because He wants everyone to know Him better than we know Him now. When you know Him, you know your future and your destiny.

Now make yourself comfortable, and get ready to read and enjoy this great book. I promise I won’t keep you too long; I know you’re a busy person. Let’s begin, and I hope you enjoy your reading. Please read with an open heart – I love you as you love yourself, and I love you as I love myself, as directed by the second commandment of Christ, which is divided into two commandments from The Ten Commandments.

CHAPTER ONE

Satan's Time in Prison and His Release

The Existence of the Devil

IN THE BEGINNING, the Devil's kingdom took place in the Garden of Eden. His intent was to convince the world to deny the truth of the Kingdom of God. He came as a messenger sent from God. The first thing he did was to start his kingdom by lying in God's name (Gen. 3:1).

The question was: What was he going to do about it?

Did he laugh about it?

Did he cry about it?

Did he stand for it?

Did he lie about it?

Did he work for it?

Suddenly, he became the power ruling human nature. He developed his intelligence to dominate the entire world. He controls all humanity. The answer is yes, he was laughing about it; no, he never cried about it; yes, he stood strong in his decision; yes, he lied about it; and yes, he worked hard for it.

Who Is the Devil?

The Devil was the Angel of Light who was working with God even before the creation of humanity, or after the creation of humanity. In those times, he was called Lucifer. He worked with God as a servant, to accomplish many things. After he finished making comets, his great sin was that he taught Adam and Eve how to disobey God.

You may wonder: why sins? Why the Devil? Where did they come from? If you read this book all the way to the

end, you will know the answers to these questions, and more.

What Is the Devil's Mission, and Who Gave It to Him?

I have no doubt that the Devil had no idea his mission would become so difficult. If he had known that he would be putting himself into such a dangerous position for no reason, and if he had known that his mission would be only evil, he would not have tried to accomplish it. The devil's mission is to make people disobey God's commandments, to destroy the world, and to make trouble around the world. His mission is accomplished, but he doesn't know he will lose the final battle. Who gave him the mission? His mission has been predestined since the Garden of Eden (Gen 2:9)/ What is particularly interesting is that after he was finished tempting Adam and Eve, he left them and lived with God in Heaven (Job 1:6-12; 2 1-6). If you ever want to know the complete truth of any story, then try to find out *why* the story happened, and then you will know everything about it. I'm not going to tell you *why* just yet – I will tell you that later.

Who gave the Devil his mission? From the understanding I have by the grace of the Holy Spirit, anything that happens anywhere in the universe, good or bad, is authorized by God (Lam. 3:38). If He doesn't want something to happen, no one can make it happen. He is omniscient and omnipotent, and he can fix anything that is broken. He is the alpha and the omega, the beginning and the end (Rev. 1:8, 1:11). He is the first and the last (Rev. 21:6; 22:13). As you know, no one can beat Him, no one can compete with

Him. Whatever He says he will finish, he absolutely will do.

The Prison Time of the Devil and His Release

Around 96 AD, the Roman government arrested the elderly Apostle John and banished him to the Isle of Patmos. While there, he had a great vision about the Devil, which appears in John's Book of Revelation 20:1-3. The vision showed the Devil in prison, starting in 914 AD, and then he would be released in 1914 AD. As soon as he was released, he started World War I and World War II. I will list some historical facts about these two wars.

World War I began in 1914 and ended in November of 1918. World War I (WWI), or the First World War (called, at the time, The Great War) was a major war centered in Europe that began in 1914. The fighting ended in November of 1918. This conflict involved all of the world's great powers, including France, Japan, Greece, Romania, Portugal, the German Empire, Bulgaria, Belgium, Italy, the Russian Empire, the British Empire, the United States, Serbia, Montenegro, the Ottoman Empire, the Austro-Hungarian Empire, and others. More than 70 million military personnel, including 60 million Europeans, were mobilized in one of the largest wars in history. More than nine million combatants were killed.

World War II (WWII), or the Second World War, was a global military conflict lasting from 1939 until 1945, and which involved most of the world's nations and all of the great powers, including Australia, Belgium, China, the British Empire, Canada, France, Greece, Norway, the Netherlands, New Zealand, Poland, South Africa,

Yugoslavia, the United States, and others. More than 100 million military personnel were mobilized. There were more than 70 million fatalities.

These two wars show that the accomplishments of the Devil are powerful. He is so powerful that he can make things happen under his influence. Anyone can be pressured into acting under his influence. The only way to avoid acting under the influence of the Devil is to pray a lot, and understand the words of God. Regardless, nobody can stop the Devil's plans. But I love the accomplishments of the Devil, because without them, Jesus would not come again. Without these things, Jesus would be a liar, because these things must come to pass, as He said they would.

What about the wars before the Devil's release in 1914? Who made those wars? These were wars of independence, made by the angels of the Devil to announce his coming release. Anytime something happens, there is always a reason behind it. Even God, before He does anything, always sends a messenger to prepare the way for whatever He wants to do on earth. The Devil copied this idea from God, in order to accomplish his mission.

Demographics of the Devil

Since the beginning, Satan, the Devil, has been the king of the world. In olden days, he was the messenger of God between humans and Heaven (Job 1:6-12; 2:1-6). In 6 BC he was kicked out of Heaven by the Archangel Michael, along with his angels (Rev. 12:7-10). That was the same year Jesus was born (Rev. 12). The Devil lived on earth from that time until 914 AD. Then he was in prison

from 914 AD to 1914 AD. After his release, he lived in the Bermuda Triangle.

The Bermuda Triangle – the Throne of the Devil

After his torment, the Devil moved to live inside the earth, with his entrance at the Bermuda Triangle. The Bermuda Triangle, also known as the Devil's Triangle, is a region in the western part of the Atlantic Ocean where a number of aircraft and ships have allegedly disappeared mysteriously. Every kingdom needs a throne from which to operate, and the Devil chose the Bermuda Triangle as his throne. From there, he travels through the world, and he causes earthquakes when he moves from point A to point B. In 1950, the world discovered that the Bermuda Triangle cannot be successfully approached from sea or air. This place became one of earth's great mysteries, known to all the governments of the world.

Another mystery I want to mention is Unidentified Flying Objects (UFOs). I think the UFOs have to be coming from somewhere. They could be coming from another planet, or from the Bermuda Triangle. I don't know for sure; I think there is a 60% chance that they are coming from the Bermuda Triangle, and a 40% chance that they are coming from another planet. I know there are those who do not believe in UFOs, and I respect that, but on the other hand I am convinced that UFOs are real.

What is a UFO? It is a group of creatures more advanced than human beings that come to visit us, but we don't know where they live, so we are not able to visit them. I think that during their visits, they sometimes

take human beings. They may be agents of the Devil, sent to scan the earth, to report what is happening.

No matter what good or bad news there is, as soon as we believe in God, we have no need to be afraid of anything (Psalms 46:1-3). If God is for us, no one can stand against us. With God, we always triumph over evil.
