A Quiji board provided the spirit for this novel. Dream never got over Tommy's fatal shooting as she went to meet him for a second date to tell him she was pregnant by him, a Tracy City hit man shoots him in the motel as she left the scene. Dream used a Quiji board to solve the case and was astonished to solve the murder!

The Spirit continuously tried to spell out the name of who shot him on the Quiji board and was determined to reveal who did this. The spirit in this novel is so strong as Dream went from skirts to a bad boy appearance, and began smoking. The spirit hated Murdock, and Dream staying stoned, messed up the whole murder case. The FBI befriended her in this chilling -funny, supernatural tale of a young gals quest for homicide 'till she realized she was living not only with the spirit of Tommy, but with the murderer as well.
