PROLOGUE

Truth De-Code-It is a living-testament of an eye-witness' account discerning Truth in an era of transparent deception espoused by billionaires, media moguls, government officials, and banking interests as they foster their orchestrated crisis-management cabal, showcased on Wall Street and around the world.

Their actions have given rise to an epiphany in-the-making, as we the people awaken to the irreconcilable Truth and deal with it accordingly; empowering us with the ability to change ourselves and the world.

The content of this book reflects upon the plutocracy's use of the revised-edition of the outdated Machiavellian script, to exploit, manipulate, and amass fortunes from public sources; as the mon-eychangers- and shepherds-of-deception fleece the unsuspecting flock.

This publication provides the means to partake in a natural-sustainable lifestyle, minimizing and eliminating life's uncertainties, while emphasizing and promoting mutual-Coexistence and self-empowerment as individuals-globally.

The message is simple, use discretion when patronizing banks and multinational conglomerates, buy less, lighten your footprint, live truthfully and strive to adopt a way-of-life that is economically and ecologically sustainable.

Truth De-Code-It transcends concepts of beginnings or ends, and realigns and reinforces our bond among ourselves and nature; wherein, Natural Law reigns. It views Life beyond human-induced limitations and sees it through an open-minded-spirited lens that recognizes all life as sacred.

It alludes to the “hocus-focus reel-time end-of-the world-crisis management scenarios” orchestrated, in part, by the profiteering-money changers’ half-truths “erred” by mainstream-media airheads. If what you have read thus far is of interest, you are invited to peruse the contents and Epilogue: Truth-De-Code-It’s Empowerment.

Dedication: This life’s work in-the-making, a few mere utterances of Truth, are dedicated to my two best friends, Susan, my soul-companion, best friend and loving wife, and in everlasting-memory of my mother-in-law, Barbara, known to us as “Kid”. I am eternally grateful to the Creator for making them a part of my life. GOD has bestowed upon me countless blessings, Susan is my most treasured.

APOTHEOSIS

Humanifestation-embodiment of the celestial dust

Rising up upon this earthen crust

Light - energy - motion

Divinely still - omnipotent

Taking form - transforming substance

Quintessential metamorphoses

Celestial body – mindful-soul

Simultaneously emerging-diverging-converging

Upon and within a perpetual interstellar multidimensional journey

Beginning - ending - forever transcending

Transiently encapsulated within this molecular frame

Serving as a medium to connect the indivisible and

Divisible incarnation of immortality

Revealing understanding which pontificates

The illusive abyss of incomprehensibility

Within and beyond the realm of human-deduced reality

Where earth and dust rise up -

Intangible form transforms substance

A cosmic continuum - a Transfiguration

APOTHEOSIS

HOMEOSTASIS AT THE OASIS OF GRACES

The Oasis of Graces resides within desolate places

For those in need of Homeostasis

Seek and ye shall find divinity in mind, body, and spirit

In the stillness of serenity

As a believer I am convinced Truth is Truth – deceit-less

By Grace, steadfast in my beliefs - I shall not be deceived

Soulfully knowing from all fears there is reverent relief

I walk in the light of the shadows of death

Spirited by the Nephesh - Life's breathe

I've awakened to the Risen Son - in a land

Where the sun never sets

Eternally and gratefully blessed not to hunger nor thirst

Immersed in the refuge at the Oasis of Graces

Giving eternal thanks and praises to my Creator

Yadah, Yadah, Yadah – Yeshua-Risen

OASIS OF GRACES

HARMONIC CONVERGENCE

Eternal rays of Light neither Diminish nor Fade
They Simply Moves Across the Abyss in Waves
As the celestial Light Traverses Darkness of Space
It Illuminates Our Terrestrial presence on Earth
Pre-scripted Roles Imposed on Us since Our Conception
Foster Upon a Belief System Inundated with
Preconceived Misconceptions,
Half Truths and Outright Deception,
Flashbacks, Rejection,
Absent in the Presence of Self-Acceptance
The Essence of My Body, Mind and Soul are no Longer
Subjected to this Supposition
Empirically, I have transcended the bounds of this imposition
One must put ones' false beliefs to death
In order to experience the Oneness of life
Those who see all things as-One

Shall inherit the knowledge of Universal Truth

Captive minds shall be set free

Only when they speak truth with humility

Quantifying the unquantifiable is an exercise in futility

Timelessness -- Is Now -- a State of Mind

Clarity of Mind, absent of all Time

Dimensions of preconceived misconceptions cease to be

As Eternal Rays of Light Reflect My presence of being

Traversing within and beyond the boundaries of the

Known, and unknown Universes

As sunlight blends upon moonlit waters

I sense my Presence -- Enlightenment --

Harmonic Convergence within the Divinely-Created natural order

HARMONIC CONVERGENCE

TRUTHFULLY

Masses put to sleep by Media-induced apathy

Nations warring --- age-old conflicts soaring

Profiteer's reaping - Lame to be Leaping

Hide-a-ways --- seeking

Strong --- weakened

Market bottoming out --- peaking

Secured --- freaking

What are you thinking?

Titanic --- sinking

Word from Lincoln

Straight lines - right angles

Keep it simple – untangled

Thinking out of the box

Off the clock

Away from henhouse-foxes

Countrywide helps you out of your home

Unless, of course, you are a “friend” of Angelo’s

Whispers of discontentment, heard hereabouts

“Living” in the absence of Truth

Undoubtedly, is dwelling in a house of ill-repute

Keep the window of your soul wide-open

Whilst you revere the awesome wonders of

Life’s glorious splendor

Here-now and forever after

Living in accordance with Nature’s laws

Learning from all, and, applying it

Truthfully
