MASTER'S CORNER

Hello Brothers,

I hope this Trestle Board finds you all in good health, looking forward to the weather getting a little warmer. Remember that this month's meeting is on the third Wednesday, March 19th. We did this so you could vote & attend the town meeting!!!

We will be doing an EA Degree. I hope you all will come and support the new member. This year we have already put one candidate through and there are three more in the pipeline. This is the future of Masonry, so you should be there.

We also will be having workshops on how to use computers. We will keep you posted as to when this starts.

You are all aware of our breakfasts on the 2nd & 4th Sundays of every month: They are very helpful to the Lodges. We are able to give to more charities and have picked up a few new members. What we need is more help! You can't expect to reap the benefits and not help out. This keeps your dues down and keeps us visible in the community. I know everyone can't cook, but there are all types of jobs that anyone can do. If you can't help out for one reason or another, at least come out and support us by having breakfast with us. It would be great to see you and your family.

Yours in Brotherhood,
Mike Sweeney
Worshipful Master
