### MASTER'S CORNER

---

Dear Brothers,

By the time you receive this newsletter, we will be well into spring and all the snow will have disappeared. I hope this finds you all in good health and spirits.

On April 22<sup>nd</sup> we had our first computer class at the Lodge. We set it up so anyone who needed any help with the basic computer skills could come to get help. We brought in an instructor with great skills. You can imagine our surprise to find out that all our members are so skilled in computers that only one member attended. So now we can do all corresponding by email & save the regular mailing expenses. Thank you all for letting us know.

April 25<sup>th</sup> we had our second breakfast for the month of April and had 110 guests. This is a great showing and we aren't even into the summer months yet. I hope you will continue to support this great fundraiser by coming to breakfast or showing up to help with this event.

On April 30<sup>th</sup> we are having a meeting at the Lodge to prepare for our 150<sup>th</sup> anniversary celebration. I know it's a year away, but we can't start too soon. The people that will be running this will be in touch with you in the near future. Come to the meetings to keep up with the news.

Wednesday, May 14<sup>th</sup>, will be our next scheduled meeting. We will be giving Brother Sellars his Fellow Craft Degree. I hope you ALL can attend to make it a great night for our new Brother.

Respectfully,

Wor. Michael J. Sweeney
