

**Outrageously Dependable™**

**Part Number**

**IB-GC8-HD-UTL**

<b>Specifications</b>	
<b>Voltage</b>	<b>8</b>
<b>Ah</b>	<b>170</b>
<b>Reserve Capacity</b>	<b>128 @ 56 amps</b>
<b>Weight</b>	<b>31.5 kg</b>
<b>BCI Group</b>	<b>8v GC</b>
<b>Supply Unit</b>	<b>Each</b>

<b>Battery Dimensions (MM)</b>			
<b>Length</b>	<b>Width</b>	<b>Height</b>	<b>Total H</b>
<b>260</b>	<b>181</b>	<b>240</b>	<b>283</b>

<b>Features</b>	
<b>Heavy Duty</b>	Workaholics are made with heavy duty connection terminals and thick plates to ensure they can handle extreme working conditions
<b>High Performance</b>	Multiple rib separators with additional ribs designed to give maximum cycling performance
<b>Efficiency and Durability</b>	Antinium alloy and low-antimony alloy grids resist corrosion and reduce the potential for overcharging and reduces water loss
<b>Workaholic</b>	Advanced Stabilizer Materials maximize initial capacity, peak capacity, capacity life and rechargeability

**Workaholic Deep-cycle Batteries**

**An industrial Powerhouse!**

<b>Suitable Applications</b>	
<b>Golf Carts</b>	<b>Scissor Lifts</b>
<b>Floor Scrubbers</b>	<b>Motorhomes</b>
<p><b>Suitable for all applications where the highest quality 8v batteries are required for maximum run time, discharge cycles and long service life.</b></p>	

<b>DG Classification</b>
<b>Corrosive 8</b>

<b>UN Number</b>	<b>Package</b>
<b>2794</b>	<b>iii</b>

**WARRANTY - 1 YEAR FULL REPLACEMENT- DEEP CYCLE/ COMMERCIAL APPLICATION**

**Proudly distributed Australia wide by-**

**1300 769 282**
