

**Outrageously Dependable™**

**Part Number**

**U2500HCS/H**

<b>Specifications</b>	
<b>Voltage</b>	<b>6</b>
<b>Ah</b>	<b>280</b>
<b>Reserve Capacity</b>	<b>635</b>
<b>Weight</b>	<b>28 kg</b>
<b>BCI Group</b>	<b>J 250</b>
<b>Supply Unit</b>	<b>Each</b>

<b>Battery Dimensions (MM)</b>			
<b>Length</b>	<b>Width</b>	<b>Height</b>	<b>Total H</b>
<b>295</b>	<b>181</b>	<b>260</b>	<b>290</b>

<b>Features</b>	
<b>Crystalock</b>	The patented plate curing process designed to reduce paste breakdown
<b>High Performance</b>	Multiple rib seperators with additional ribs designed to give maximum cycling performance
<b>Easy Access</b>	Exclusive <b>SpeedCap</b> design allows easy opening of all three caps at once
<b>Efficiency and Durability</b>	Exclusive Antinium alloy and low-antimony alloy grids resist corrosion and reduce the potential for overcharging and reduces water loss
<b>Advanced Capacity Technology</b>	Advanced paste formulation maximizes initial capacity, peak capacity, capacity life and rechargeability

**Workaholic Deep-cycle Batteries - An industrial Powerhouse!**

<b>Suitable Applications</b>	
<b>Golf Carts</b>	<b>Sisscor Lifts</b>
<b>Floor Scrubbers</b>	<b>Motorhomes</b>
<b>Suitable for all applications where the highest quality 6v batteries are required for maximum run time, discharge cycles and long service life.</b>	

<b>DG Classification</b>
<b>Corrosive 8</b>

<b>UN Number</b>	<b>Package</b>
<b>2794</b>	<b>iii</b>

**WARRANTY - 1 YEAR FULL REPLACEMENT- DEEP CYCLE/ COMMERCIAL APPLICATION**

**Proudly distributed Australia wide by-**

**1300 769 282**
