## FR. NICK'S MESSAGE

### A GLORIOUS RESURRECTION

*Dear Parishioners,*

**"We waited, and at last our expectations were fulfilled," writes Serbian Bishop Nikolai of Ochrid, describing the Easter service in Jerusalem. "When the Patriarch sang 'Christ is Risen, a heavy burden fell from our souls. We felt as if we also had been raised from the dead. All at once, from all around, the same cry resounded like the noise of many waters. 'Christ is Risen' sang the Greeks, the Russians, the Arabs, the Serbs, the Copts, the Armenians, the Ethiopians one after another, each in his own tongue, in his own melody...Coming out from the service at dawn, we began to regard everything in the light of the glory of Christ's Resurrection, and all appeared different from what it was yesterday; everything seemed better, more expansive, more glorious. Only in the light of the Resurrection does life receive meaning."**

*Soon we will find ourselves before the glorious Resurrection of our Lord. To fully experience and bathe in all its glory, so vividly described by Bishop Nikolai, we first must pass through what remains of Lent. Without preparation, repentance, introspection and self examination, the deeper meaning of Pascha may be lost. So may be lost the purpose of all worship that forms the foundation of life and hope which is Christ. Beloved faithful, there is still time for the prescription that Christ Himself gave to us that of prayer, fasting and almsgiving. There is still time for forgiveness, a change of heart and return that will make everything new as we "receive the unwaning light" that comes from an empty grave. There is still time to live the glory that promises not only meaning in this life but eternal life through His Resurrection. Join us during these Holy days of Christ's Passion, Sacrifice and glorious Resurrection so that we may together proclaim "Christ is Risen"*

*With Love in our Risen Lord,*

*Fr. Nick*

### LENTEN VISITS

If you have a homebound family member who would welcome a visit this Lenten season, please contact Fr. Nick as soon as possible to make arrangements.

### HOLY CONFESSION

Like the Prodigal Son, we have all been away from God on some level, and it is time to "come home" to our Father who is loving, compassionate and forgiving. Holy Confession is a powerful way to examine our lives and reflect on our spiritual progress, especially during this Lenten season. Please make arrangements before Holy Week is upon us. Contact Fr. Nick.

### HOLY FRIDAY NAMES

Each Holy Friday, the names of loved ones who have fallen asleep in the Lord are commemorated before the Kouvouklion (Sepulcher). Names may be brought to Church on Holy Friday or submitted beforehand to the Church office.

"If any have wearied himself with fasting, let him now enjoy his reward. If any have labored from the first hour, let him receive today his rightful reward. If any have come after the third, let him celebrate the feast with thankfulness. If any have come after the sixth, let him not be in doubt, for he will suffer no loss. If any have delayed until the ninth, let him not hesitate but draw near. If any have arrived only at the eleventh, let him not be afraid because he comes so late. For the Master is generous and accepts the last even as the first. He gives rest to him who comes at the eleventh hour in the same way as him who has labored from the first. He accepts the deed, and commends the intention" —From St. John Chrysostom's Paschal Homily.

*The Resurrection is for all of humankind, spread the word!*

## BUILDING ON OUR FAITH

### THE CHAPEL OF ST. JOHN CHRYSOSTOM

It is fitting that just one week after the Sunday of the Cross during the Lenten season we observed for the first time what the complete installation of the restored icons from the old St. Demetrios dome look like in our new St.

John Chrysostom Chapel. I am certain you will agree they are a perfect fit!

As this new milestone in the development of our new Church has been achieved, please take a moment next Sunday, or any day during Lent,

and visit our new Church and Chapel. You will not regret it. Take a moment, light a candle and say a prayer as you walk around the sacramental spaces and common areas. Look at the floors, wall details, ceiling lines, light fixtures, and seating. Begin to feel how much this new building is your home; yours and your entire extended family. Our Church belongs to you and you belong to it!

We together constitute the larger family of St. Demetrios and our Greek Orthodox Faith. This new sanctuary was built for us and the many generations to come. It is ours to share the memories of our life; comfort our suffering and mark the most significant celebrations; memories that will become even more vivid as the years go by! These are just some of the reasons so many of our fellow parishioners dedicated much of their time and hard-earned treasure, time and talent, to build this wonderful place of worship.

Yet our work continues. The Greek Orthodox Church in America, which we are an integral part, is unique because it is built on the strength of our faith. No government funds or institutional money made this dream possible. Our Church is a true testament to you the faithful. We have recently mailed a beautiful brochure offering named gift opportunities to fund the interior appointments and Holy articles required to finish our beautiful church. The booklet contains gifts both large, like the Baptismal Font and Pulpit, and small such as a candle stand and Bible holder. Won't you please consider helping us complete our commitment to finish this remarkable building? Thank you.

For more information please contact Fr. Nick or Peter Condakes at St. Demetrios.

## STEWARDSHIP CORNER

By now, everyone should have received their end of year statements for tax purposes. If you haven't seen it in your mailbox, please contact the church office so we can get you another copy.

Our Stewardship program continues to expand with several new stewards joining our parish in the last few months. As of March 18, we have received 310 pledges totaling \$328,304 and an additional \$11,153 from 77 non-pledged members. This is significantly higher than where we were last year at this time. All this is good news for our budget as we work to maintain the programs and services that we currently offer.

The easy to use online payment system also seems to be attracting new participants. This feature allows parishioners to automatically deduct contributions for either Stewardship or the Building Fund directly from their bank accounts or credit cards. It's secure and easy to sign up at [www.stdemetriosweston.org/stewardship](http://www.stdemetriosweston.org/stewardship).

If you ever have a question or comment about contributions, stewardship or anything related, please drop me a note here: [deancoclin@msn.com](mailto:deancoclin@msn.com). I'll be more than happy to respond.

## SAINTLY LIVES

**ST. GEORGE THE MARTYR,  
COMMEMORATED APRIL 23**

St. George, this truly great and glorious Martyr of Christ, was born of a father from Cappadocia and a mother from Palestine. Being a military tribune, or chiliarch (that is, a commander of a thousand troops), he was illustrious in battle and highly honoured for his courage. When he learned that the Emperor Diocletian was preparing a persecution of the Christians, Saint George presented himself publicly before the Emperor and denounced him. When threats and promises could not move him from his steadfast confession, he was put to unheard-of tortures, which he endured with great bravery, overcoming them by his faith and love towards Christ. By the wondrous signs that took place in his contest, he guided many to the knowledge of the truth, including Queen Alexandra, wife of Diocletian, and was finally beheaded in 296 in Nicomedia. His sacred remains were taken by his servant from Nicomedia to Palestine, to a town called Lydda, the homeland of his mother, and then were finally transferred to the church which was raised up in his name.

# HOLY WEEK

## PALM SUNDAY, HOLY MONDAY & HOLY TUESDAY EVENING

The first three days of Holy Week remind us of Christ's last instructions with his disciples. These teachings are remembered in the celebration of the Great Compline, Matins, Hours, and Liturgy during these days. The Liturgy of the Presanctified Gifts celebrated these days includes readings from Exodus, Job, and Matthew. The Matins services of the evenings of Palm Sunday, Holy Monday, and Holy Tuesday, anticipating the events of the next day, share a common theme. These Bridegroom Services are derived from the Parable of the Ten Virgins, which calls for preparedness at the Second Coming, for the "thief comes in the middle of the night." (Matt. 26:1-13)

## HOLY SATURDAY

Great and Holy Saturday Vespers and a Divine Liturgy of St. Basil are served, marked with readings of Psalms and Resurrection hymns that tell of Christ's descent into Hades, celebrated as the "First Resurrection" of Adam and the conquering of Death. It is appointed by the typikon to be celebrated in the afternoon, though it is served in the morning in many places. This service comes from the ancient liturgical tradition of the Church of Constantinople and was its primary Paschal service. The hymn "Arise O God" from the Psalms was the original primary Paschal hymn before "Christ is risen" came to take its place. Its place as the ancient Constantinopolitan Paschal celebration is what gives the service such a bright and resurrectional character.

## HOLY WEDNESDAY

Within the past two centuries, Byzantine practice has developed to include the mystery of Holy Unction, which is celebrated on Holy Wednesday, commemorating Christ's anointing with myrrh. The service ends with the priest anointing the faithful with holy oil. The services appointed by the Typikon for the evening of Holy Wednesday recall that on this day Judas betrayed Christ, which led to the tradition from Apostolic times of fasting on Wednesday throughout the year. It also focuses on the Mystical Supper, which is celebrated in the liturgy of the following day.

## HOLY THURSDAY

Holy Thursday begins with the celebration of vespers and the Divine Liturgy of St. Basil with a Reserved Eucharist in representation of the earthly presence of Christ realized at the Last Supper. In the evening, anticipating the Matins of Friday morning, the Holy Passion service of the reading of the Twelve Gospels is conducted. In these readings Christ's last instructions to his disciples are presented, as well as the prophecy of the drama of the Cross, Christ's prayer, and his new commandment.

## PASCHA

Pascha, the Feast of Feasts, as midnight approaches the priest taking a light from a vigil light within the altar passes the flame to the faithful for their candles while singing "Come ye and receive light from the unwaning life, and, glorify Christ, who arose from the dead." The resurrection of Jesus Christ from the dead is the center of the Orthodox Christian faith. To the Orthodox, the celebration of Pascha reveals the mystery of the eighth day. It is not merely an historical reenactment of the event of Christ's Resurrection. It is a way to experience the new creation of the world a taste of the new and unending day of the Kingdom of God. This new day is conveyed to the faithful in the length of the paschal services, in the repetition of the paschal order for all the services of Bright Week, and in the special paschal features retained in the services for the forty days until Ascension. Forty days are, as it were, treated as one day.

## HOLY FRIDAY

Great and Holy Friday begins with reading of the Royal Hours leading up to Vespers of Friday afternoon, at which time the removal of the Body of Christ from the Cross is commemorated. The priest removes the Body of Christ, the Epitaphios, from the Cross, wraps it in a white cloth and carries it into the altar. In an evening service, called the Lamentations at the Tomb, the priest carries the Epitaphios, the painted or embroidered cloth representation of Christ, from the altar around the church before placing it in the Sepulcher, a bier symbolizing the Tomb of Christ. This procession, with the faithful carrying lighted candles, represents Christ's descent into Hades.
