Re: Request to listen remotely to 12/14/2017 hearing in *In the Matter of the Rehabilitation of:
Segregated Account of Ambac Assurance Corp.*, Case No. 10-cv-1576

Your Honor:

I write in my capacity as a reporter for the *Wall Street Journal* to request permission to listen by telephone at the hearing scheduled for Dec. 14, 2017 in the above-referenced proceeding.

If allowed, I would listen to the proceedings solely for the purpose of covering this matter, which is of interest to the readership of my publication and to the general public.

Please advise me if you need any other information to consider my request. Thank you in advance for your consideration.

Best,
