IV. Pick Up

- A. Entries may be picked up in person by the spinner or a designated representative (as indicated on the entry form) after 5:00 pm Saturday at the festival.
- B. Entries indicated to be returned via mail will be mailed to the spinner within thirty days after the event.
- C. Entries that are not picked up by 6:30 pm or by the conclusion of the Membership meeting on Saturday or that did not indicate for return via mail will be considered a donation to the Silent Auction on Sunday. You may choose to donate your skein to the Silent Auction which will be held on Sunday - in which case please indicate "Silent Auction" as the pick up authorization.

V. Entry requirements:

- An entry shall consist of one skein.
- All yarn entered must have been spun since the last Taos Wool Festival in October 2017.
- The skeins must be at least 25 yds. in length, wound in 2 yd skeins, clean and finished.
- Skeins must be tied in four places with figure-eight ties using the same yarn being shown or yarn that is a similar color. Ties should not contrast with the skein.
- **Very Important! Include the end use. What could be made using the finished yarn? How would you make the end product -- knit, crochet, weave, etc.**

NOTE: Sections VI., VII., and VIII. apply to Handspun entries only.

Tip for Handspun entries: Provide as much information about your yarn as possible. The more the judges know, the better your chances at receiving a higher score/. (i.e. raw fleece, commercial roving, hand-dyed, method of plying etc.).

VI. Handspun Divisions, Categories and Classes

Divisions:

Youth: Age 12 and under

Beginner: Novices of any age, new to spinning, or just getting back to the wheel or spindle (spinning 1 year or less)

Experienced: Spinning more than 1 year

Categories: The Wool Festival at Taos proudly showcases Colorado/New Mexico/Texas (CO/NM/TX) fibers. Only yarns spun from fiber in the CO/NM/TX region are eligible to receive Reserve Champion, Champion, and Best in Show awards.

VII. Handspun Judging Criteria

Members of the Southwest Spinners Handspun Judges (SSHJ) have developed a Yarn Judge Certification Program, based on a similar program of the Northwest Regional Spinners, in order to standardize the way hand-spun yarn is judged across the country. Judge(s) who are SSHJ certified will be evaluating hand-spun yarn on Saturday morning at the Taos Wool Festival. The judge will issue prize ribbons, and entrants will receive valuable feedback to help improve their spinning. SSHJ judges use the Danish system for scoring: 90 points and above receives a blue ribbon, 80-89 is red, 70-79 is white. Skeins are graded on presentation, technique, quality of spinning, fiber choice for type of yarn spun, and suitability of yarn for finished project.

During judging, the judge has the right to combine classes that have very few entries, to divide overly full classes, and to move skeins that would fare better in a more appropriate class. The judge's decisions are final.

VIII. Handspun Awards:

1. 1st, 2nd, and 3rd place ribbons will be awarded by the Judges.
2. The Silver Medallion is awarded for overall Best of Show for Handspun Yarn. To be eligible for the Silver Medallion, the source fibers must originate from the MAVWA region, consisting of Colorado, New Mexico, and Texas.
3. Reserve Champion, Champion, and Silver Medallion entries will be presented at the awards ceremony at approximately 4:45 pm on Saturday.

IX. Mill Spun Entries

Eligible entries are those from fiber mills that have spun yarn in-house on their equipment. Refer to Sections I. through V. for Entry Submission, Fees, Pick Up, and Requirements.

NEW THIS YEAR -- People's Choice Award

Millspun entries will be voted on by Wool Festival participants. Festival participants will be allowed to handle and closely examine the entries, then will indicate their favorite entry by casting a paper ballot. 1st, 2nd, and 3rd place ribbons will be awarded according the number of votes cast by participants. 1st place will be awarded to the entry receiving the highest number of votes; 2nd place to the next highest number, and so on.
