

Ur-Energy Application Deemed Complete

Denver, Colorado (Marketwire – May 22, 2008) **Ur-Energy Inc (TSX:URE)** (“Ur-Energy” or the “Corporation”) received notice from the Wyoming Department of Environmental Quality (WDEQ) that the agency has found the Lost Creek Project Permit to Mine Application to be complete. Ur-Energy has been authorized to proceed with formal Public Notice of the application. This is the first permit application to advance past the completeness review in recent years.

“We are extremely pleased with this development,” stated Wayne Heili, Vice President of Mining and Engineering. “This is an important step in the permitting process for the project. Our staff worked closely with the WDEQ to ensure that all required aspects of the permit application were incorporated and ready for a thorough technical review.”

About Ur-Energy

Ur-Energy is a uranium exploration and development company currently in the process of completing mine planning and permitting activities to bring its Lost Creek Wyoming uranium deposit into production. Ur-Energy engages in the identification, acquisition and exploration of uranium properties in both Canada and the United States. Shares of the Corporation trade on the Toronto Stock Exchange under the symbol URE. Ur-Energy has a registered office in Ottawa, Canada and its corporate headquarters are located in Littleton, Colorado. The Corporation’s website is at www.ur-energy.com.
