After eight years, the long awaited stand-up DVD from one of the UK's most loved comedians...

JACK DEE SO WHAT? LIVE

Released on DVD and BLU-RAY™ by Universal Pictures (UK) from Monday 18th November 2013

“... turns grumpiness into an art form” The Evening Standard

“...top comedy gig” ★★★★★ The Telegraph

“... he delivers his jokes with a precision and passion that you can't second guess” – The Times

The UK's favourite grumpy comedian is back! **Jack Dee** makes a long overdue and very welcome return to stand-up comedy, as he releases his highly anticipated new live comedy DVD, **Jack Dee So What? Live**. Set for release on Monday 18th November, from Universal Pictures (UK), **So What?** Is Jack's first DVD release in eight years. This rare release from Jack is the only place fans can experience his latest new material and experience firsthand the original Glum Meister at his most miserable best.

Filmed at London's Hammersmith Apollo, Jack once again brings his legendary sarcastic, witty, deadpan humour to the stage. Relatable to both his longstanding fans, younger fans and family's alike, Jack has become a parenting guru over the years offering hints and tips on how to deal with hormonal and stropky teenagers as, in his own words, they become *“mentally ill”*. Comedy's new super nanny talks you through how to cope with endless hours of online gaming and even dealing with arson at a music festival!. Combine dealing with electricians and trips to the supermarket **Jack Dee So What? Live** truly is the new handbook to life's annoyances and misdemeanours.

After a six-year absence from live comedy tours, Jack Dee has been touring the UK and Ireland to sell-out theatres for the past 18 months. The host of the long running Radio 4 show *I'm Sorry I haven't A Clue* said he was returning to the road *‘as he wanted to spend less time with his family’*.

So.... where's he been? Appearing on shows like **QI** and **Shooting Stars**, **Never Mind The Buzzcocks**, **8 out of 10 Cats** and **Have I Got News For You**. He's been hosting Radio 4's legendary *I'm Sorry I Haven't A Clue*, recently hosted Sky Atlantic's new show **Don't Sit In The Front Row**, co-writing and starring in four series of BBC 2's hit sitcom **Lead Balloon** and writing his memoirs, **Thanks For Nothing** which he modestly dedicated to himself -*“Without whom none of this would have been possible”*.
