JON RICHARDSON

'OLD MAN'

*AUTUMN DATES ANNOUNCED DUE TO
PHENOMENAL PUBLIC DEMAND*
Tickets on sale now!

"For 10 years he has been among the funniest men in Britain" – The Mirror
"one of our most individual and interesting stand-ups" – The Times
"sublimely brilliant, stunning..." – Time Out

Due to unprecedented public demand, a further 35 dates have been announced for this autumn for **Jon Richardson's** highly anticipated new tour '*Old Man*', including one night at London's Eventim Apollo on Saturday 4th November 2017.

The star of '*8 Out Of 10 Cats Does Countdown*', British Comedy Award nominee and runner-up in Heat Magazine's 'Weird Crush' poll (not once, not twice but three times!!) is back and embarking on a nationwide tour to complain about the state of the world and offer no solutions. '*Old Man*' is Jon's return to live stand-up following his 2014 sell-out '*Nidiot*' tour and will see him travel across the UK and Ireland starting in February with over 80 dates throughout 2017. **Tickets are on sale now!**

Since his last show Jon has become a husband and father, seen the UK vote to leave the EU and watched the rise of Donald Trump, all of which leaves him asking one question; Why does it seem that no one else alive can correctly load a dishwasher?

Come and see what Jon Richardson can do with words when he has more than thirty seconds to work with. Or should that be "with which to work"?

Jon has been massively in demand for television and radio appearances including; '*Have I Got News For You*' (BBC ONE), '*Live At The Apollo*' (BBC ONE), '*Channel 4's Comedy Gala Live At The O2*' and most recently '*Taskmaster*' (DAVE).

A new series of '*8 Out Of 10 Cats Does Countdown*' will air on Channel 4 this autumn. Jon has also recorded a new documentary for Channel 4 where he will be taking on his greatest fears and examining the truth behind them. '*Dead Worried*' (working title) is due to air this year.

Jon has released two live stand-up DVD's: '*Funny Magnet*' in 2012 and '*Nidiot*' in 2014. Both DVDs are released through Universal Pictures (UK) and available to buy now. Also a successful author, Jon released '*It's Not Me, It's You*' in 2012, published by HarperCollins.
