Russell is well known for his viral Facebook *Kaneing* videos. For the past 18 months Russell's weekly viral videos have grown from strength-to-strength garnering hundreds of thousands of views and constant media attention. In each episode Russell tackles a diverse range of topics and gets to grips with the talking points of the week. The success of these subsequently led to a three part *Kaneing Live* special broadcast exclusively on Facebook Live in 2017.

Russell's unique high energy stand-up has won him numerous awards and plaudits including winner of the prestigious Edinburgh Comedy Awards for Best Show in 2010. That same year Russell went on to make history as the first comedian to win both the Edinburgh Award and Melbourne Comedy Festival's Barry Award in the same year.

Russell's previous tour, the mammoth *Right Man, Wrong Age*, was met with phenomenal demand causing it to be extended three times between 2016-2017, performing to sold out venues across the country and acquiring much critical acclaim.
