RICH HALL'S HOEDOWN

SPRING 2019 DATES ANNOUNCED

"As close as it gets to a guaranteed good show" – Scotland On Sunday

"Blissfully funny" – Guardian

*"One hour of stonking stand-up and another of stomping hoedown mayhem. That's two top gigs in one" *****

- The Mail On Sunday (Event)

Rich Hall and his Hoedown band will continue to delight audiences with this legendary show by extending the tour even further with 38 dates announced for spring 2019.

Rich Hall's Hoedown spring tour kicks off in February and continues through until June 2019, including 3 nights at Glasgow Comedy Festival (The Garage, 14th – 16th March) and 4 nights at London's Leicester Square Theatre (10th – 13th April). Please see full listings information below. Tickets are on sale now from www.offthekerb.com.

Never has there been a better time to be an American comedian in the UK. Hall's precision dismantling of the tenuous relationship between the two countries is as freewheeling and deadly accurate as ever.

This *Hoedown* tour begins as a withering dissection of Trump's America and all of its twists and turns, but ends up in a celebration of Americana. There's stand-up, improvised ballads, cracking good musicianship, and ultimately a hilarious, foot-stomping, shit-kicking good time to be had by all. Even if you don't own a hoe.

Rich's most recent critically acclaimed BBC Four documentaries, *'Rich Hall's Countryman Than You'* and *'Rich Hall's Presidential Grudge Match'*, as well as his BBC Radio 4 series *'Rich Hall's (US Election) Breakdown'* and *'Rich Hall's (US) Breakdown'* have built him a whole new legion of followers, as have appearances on BBC One's *Have I Got News For You* and BBC Two's *QI*. But if you've only ever seen Hall on TV, you've short-changed yourself.

His newest documentary *'Rich Hall's Working For The American Dream'* broadcast on BBC Four in in July 2018 was very well received and saw Rich explore the origins of the American Dream and whether it's still attainable.

'Rich Hall's (US Election) Breakdown', Rich's BBC Radio 4 series, has also been praised for its coverage of recent political events in America. The latest episode was broadcast on Thursday 22nd November 2018, focusing on the US Midterm elections and is available on BBC Sounds now.

Rich Hall's grouchy, deadpan style has established him as a master of absurdist irony and the king of rapid-fire wit. Notable UK appearances include regular appearances on *'Very British Problems'* (Channel 4), *'Stand Up For The Week'* (Channel 4), *'Live At The Apollo'* (BBC1), *'Channel 4's Comedy Gala Live At The O2'*, *'Have I Got News For You'* (BBC1), *'Rich Hall's Cattle Drive'* (BBC4), *'Rich Hall's Gone Fishing'* (BBC4), *'Otis Lee Crenshaw – London Not Tennessee'* (BBC2), and *'Never Mind The Buzzcocks'* (BBC2).
