Phil McIntyre Entertainments presents:

THE GUILTY FEMINIST: LIVE

****SPECIAL GUESTS ANNOUNCED FOR UK TOUR DATES ****

TICKETS ON SALE NOW

"Very funny... pure, guilt-free pleasure" – The Guardian

"I'm a feminist but..."

The Guilty Feminist podcast has become a comedy phenomenon with over 60 million downloads since it launched in December 2015. Comedian **Deborah Frances-White** and her guests discuss their noble goals as 21st century feminists and their hypocrisies and insecurities which undermine those goals.

The Guilty Feminist: Live will tour theatres throughout the UK for 23 dates between May and June 2019. Tickets for *The Guilty Feminist: Live* are on sale now from www.guiltyfeminist.com and www.ticketmaster.co.uk.

For this special touring version of the show, *The Guilty Feminist: Live*, Deborah will be joined by some of your favourite comedy and musical guests from the podcast for a celebration of how far we've come, and a conversation about what still very much needs to be done. As well as top comedy and musical talent, Deborah will be inviting a range of local activists and charities to join her on-stage panel as they delve in to a myriad of topics facing us today.

Deborah is delighted to announce that the following special guests will be joining *The Guilty Feminist: Live* on tour:

The *Guilty Feminist* podcast, hosted by Deborah Frances-White has become one of the most listened to and downloaded podcasts today. Described by Phoebe Waller-Bridge in The Guardian as “hilarious, irreverent, eternally surprising, classy as hell genius”, The Guilty Feminist regularly features big named guests including the likes of *Jessica Hynes*, *Gemma Arterton*, *Andi Osho*, *Hannah Gadsby*, *Jenny Éclair* and *Emma Thompson*. In addition to the regular podcast, a number of special episodes at venues like The London Palladium, The Barbican and The Sydney Opera House covering high-profile topics including The Suffragette Centenary and The Windrush Generation have also been broadcast.

**Please note these shows will not be recorded for transmission.*
