

# TIGER BLUE

## Voyages through the Indonesian Archipelago

*Tiger Blue* offers an extraordinary experience like no other. Join us as we explore a world of 17,400 islands populated by dragons, volcanoes, ancient landscapes, deserted anchorages, spicy cuisine and unfamiliar customs and rituals

*Tiger Blue* is a 112 ft. teak Phinisi schooner, she was hand built on an Indonesian beach by local craftsmen. All modern amenities and conveniences have been added but she remains true to the tenet of 'beauty through simplicity' and offers a unique 'luxury adventure' family charter like no other! This year *Tiger Blue* made it into the list of Asia's 'Top 50 Super Yachts'

Travel like an early explorer but in great comfort, luxury and space discovering the remote Spice Islands, the dramatic landscapes, coastlines and natural history of the Indonesian archipelago. These are the richest seas in the world offering unrivaled diving and family adventures

## DIVING - EXPLORATION - FAMILY

# VOYAGE TO THE SPICE ISLANDS

The remote **Spice Islands** are the historical center of the 17th century nutmeg trade, a trade so lucrative in its day that the island of 'Run' was swapped by the British with the Dutch for Manhattan! The islands are surrounded by pristine reefs to dive & snorkel. With a dormant volcano to climb, Portuguese & Dutch forts to explore as well as friendly Indonesian hospitality - this voyage is an exotic blend of culture & sea safari.

The top deck and the stars are a big draw for teenagers keen to sleep on deck. Eight Indonesian crew provide phenomenal, personalized service. Wouter the Dutch skipper (and part owner) directs the daily activities (from wake-boarding to diving) with friendly enthusiasm and an uncanny knack for presenting the right options at the right time for the right person.

**Tiger Blue** has 2 double cabins (with king size beds!), a family cabin and a cabin with 2 bunks, she is ideal for 10 -12 people, or 2 families. **Tiger Blue** is a well equipped dive boat fitted with compressors, tenders & dive gear. Wouter is a Dive master who knows these waters like the back of his hand. Anything from gentle snorkeling over bright coral gardens to energetic hunts for excellent edible fish is on hand – and what better accompaniment to a tropical sunset at the end of an action packed day than hour old sashimi accompanied by a cold, crisp glass of Chardonnay.
