

CALIFORNIA TRAILS & GREENWAYS FOUNDATION

Dear Friend of Trails,

Ilse M. Byrnes
San Juan Capistrano

Mary Cahill
Newcastle

Bob Gage
Butte Valley

Cathy Haagen-Smit
Newcastle

John Mercurio
Concord

Maryanne Vancio
San Diego

Jeff Weinstein
Riverside

We want to remind you that the California Trails and Greenways Foundation grant application deadline is **March 15, 2017**.

You may review the grant criteria and receive an electronic application at our website: www.ctgf.org

All completed grant applications and required materials must be submitted electronically by March 15th to: jeff.trailman@gmail.com

We welcome applications from 501(c)3 organizations that have not received a CTGF grant in the previous five (5) years. This year we will be appropriating a maximum of \$5,000 total for all grants. We hope to give a number of smaller grants (\$1,000 or less) so that we can share the benefits more widely.

Grants will be awarded by April 1, 2017 and announced at the **California Trails and Greenways 2017 in Monterey, California**.

As you know, our goal is to create a strong, organized coalition of non-motorized trail users in California. We believe in shared use trail systems, strong educational programs sweat equity and collaboration with public land managers. The CTGF Board has vast experience in a number of trail system, trail user and trail organization issues. We are willing to consult by phone or email or even do site visits. If we can help you or your organization, please let us know.

501 (c) 3 Tax Exempt
