Affinity Healthcare's Professional Liability Programs Now Made Available to Independent Insurance Agents

HATBORO, Penn. (June 6, 2012) – Affinity Healthcare, the consumer, association and group program business of [Aon Risk Solutions](#), the global [risk management](#) business of [Aon](#) plc (NYSE: AON), announced its Affinity Health Care programs are now providing open access to these programs to insurance brokers nationwide.

Over the years, Aon Affinity's Health Care Practice has worked with insurance carrier partners to negotiate pricing and create professional liability programs customized to the health care industry's unique exposures. These programs were generally not available to independent agents, until now.

"We are excited to offer our professional liability products to the agent community," said Michael Loughran, president of Aon Affinity's Health Care Practice. "This is a win for all parties: Aon Affinity, agents and health care businesses and professionals across the country."

Affinity's Health Care professional liability programs serve:

- Homes and services for the aging
- Physical therapy and rehabilitation centers
- Aesthetic businesses
- Medical facilities such as MRI centers, laboratories, hospices, imaging facilities and dialysis centers
- Orthotics and prosthetics suppliers and manufacturers
- Allied health care businesses, such as pharmacies, counseling centers, nurse staffing agencies and home health care firms
- Schools
- Physicians and surgeons, including osteopathic physicians
- Nurse practitioners, physician assistants, registered nurses

"The producer now has access to our professional liability plans, along with competitive commissions and exceptional service," said Loughran. "With the health care industry changing at such a rapid pace, our products can help give agents a competitive edge in the marketplace."

With more than a million health care professionals and 40,000 health care businesses insured, Aon Affinity is the largest writer of professional liability insurance for health care professionals in the nation.
