## Summer Comfort Food

### Tomato Salad Dressing

1 cup vinegar  
1 cup Wesson oil (Canola Oil)  
1 can condensed tomato soup  
½ cup sugar  
1 tablespoon Worcestershire sauce  
1 tablespoon Coleman's dry mustard  
1 teaspoon salt  
½ teaspoon black pepper  
Juice of 1 or 2 grated onions (or onion juice from a bottle - to taste)

Put everything in a quart bottle and shake.

This is an old fashion salad dressing that is different and good. On a hot day I would refrigerate (chill) the dressing to add the coolness to the day.

Enjoy,

From my home to yours,

Eleanor Anne Sweet
