

Lemon Grass Punch

Ingredients for teas:

6~8 stalks of lemon grass

6~8 teabags or teaspoons of black tea

Method:

Fill 2 large coffee plungers with strong lemon grass tea (cut lemon grass stalks into plunger cover with boiling water and sit until cool)

Brew 1 large coffee plunger of black tea by covering tea with boiling water for 5-6 minutes, then pour off tea and leave to cool

When teas are cool pour into large cooler, punch bowl or other serving container

Add the following Ingredients:

- two large bottles of ginger beer (preferably home made)
- 1 large bottle of soda water
- 1 large bottle of lemon juice or lemonade
- Juice of 6 limes (or oranges or any available citrus fruit)
- Pulp of 6-8 passion fruit
- Chop a mix of any available fruit (pineapple, lychees, stone fruit, berries, banana, apples and pears) or
- Use a large tin of crushed pineapple/mixed fruit salad and add to mix

Lastly add some finely chopped mint.

Top up with party ice to chill.

Enjoy!
