One day, we'll look back on

Somehow we forgot

Was it worth it all?

Was it worth it all?

Now when I talk, I blaze a million rabbit trails
And if you gave me a penny for my thoughts
I'd surely be a billionaire,

'Cause I could speak with tongues of angels
Climb the heights of Jacob's ladder
Sing of mysteries and wonders God has wrought,
All for naught...
Without love, without cost...

CHORUS 2: (add swells, djembe, shaker)

'Cause when you're gone, life carries on the same
'Cept for those made better by the price you've paid

So all that is left is the fragrance...
