YOUR UNFAILING LOVE

```
Key: G
Flowing 4/4
Verse 1: (guitar and perc)
 When I left the shelter of Your warm embrace
 And my prodigal heart chose to run away
                                                 C/D
 Still You waited... with an unfailing love
Verse 2: (add bass, kb, light brush snare)
G2
 A God of justice, yet a God of grace
 So familiar with all my ways
G/B
            C2
                                              G2
 Still You love me... with an unfailing love
Chorus 1:
    I will sing of Your unfailing love,
    Sing of Your unfailing love
                                      Am7
    I will sing of Your unfailing love...
    To all generations, generations
                                                      C/D
    I will sing of Your love... to all generations
Verse 3: (more kit, light piano)
 You still the waves on the surging sea
 Your strong arm scatters all Your enemies
 A mighty refuge... of unfailing love
Verse 4:
G2
 Blessed are those who walk in Your light
 They rejoice in Your Name all day
                                          and all night
 They rejoice in Your unfailing love (chorus 2)
```

```
Chorus 2: (add bgvs)
                                                 С
                 Bm
                                            Am7
    They will sing of Your unfailing love,
                                 Am7
     Sing of Your unfailing love
                                            Am7
     They will sing of Your unfailing love
                           D7sus
    To all generations...
Gtr. Instrumental: 62
                  Em
                       C2
                              G2
                                    D7sus
Verse 4: (Band drops out)
 Blessed are those who walk in Your light
                                         <BREAK>
 They rejoice in Your Name all day
(BAND IN) G G/B C2
 And all night...
                                        G2
 They rejoice in Your unfailing love (chorus 3)
Chorus 3:
                                               С
                                          Am7
                Bm
    We will sing of Your unfailing love,
                                 Am7
    Sing of Your unfailing love
                                          Am7
    We will sing of Your unfailing love
                  G2
                          (keep building)
    To all generations...
Last Chorus:
                                          Am7
                               D
    We will sing of Your unfailing
                                 Am7 Em7 C
    Sing of Your unfailing love
                                                 F2 (hold)
                                          Am7
    We will sing of Your unfailing love...
  (quitar & perc)
                     G2
                                 Em
    To all generations, generations
    We will sing of Your love...
                  G2 (band softly builds) Gmaj7 G2 G9
    To all generations
```
