## Verse 1:

Early Sunday morning just before the dawn  
One of God's choicest servants is puttin' his shoes on  
For He's got a place to be; He does it faithfully  
He takes what God gave him and does his best

Well he talks a little funny and has a friendly smile  
He may not think like you and me; he has the heart of a child  
Other members have come and gone  
but Brother Titus still goes on  
He's been goin' on for over fifty years; He'd say.....

## Chorus 1:

Good mornin' glad to see ya; This is the day the Lord has made  
In the rain or the cold; He'll be walkin' down the road  
To greet his church friends and family; Lord help me be as faithful for Thee

## Bridge:

Though miles and miles he traveled on his journey  
Many hardships Brother Titus overcame  
Lord help me learn a lesson on faithfulness  
Cause through it all I never heard him once complain

## Verse 3:

One day He'll trade his old suit for a robe of white  
No more walkin' dusty roads in that city bright  
With a mind that's now clear; I think Titus may hear  
As the Lord greets another servant home , He'll say.....

## Chorus 2:

Good morning glad to see you; This is the day that I have made  
You served me while on earth; At the old First Baptist Church  
I know you want to look around but could you wait  
We could use another greeter at the gate

## Chorus 3:

Good mornin' glad to see ya; This is the day the Lord has made  
No more walkin' dusty roads; He'll be walkin' streets of gold  
To greet his church friends and family; Lord help me as faithful for Thee
